

WEDDING MUHURTAS 2014

Explanation

Tithi is the day of the lunar month.

S = waxing fortnight, **K** = waning fortnight.

ama = amavasya or New Moon

pur = purnima or Full Moon

Nakshatra is the Lunar Mansion a sub-division of the Zodiac and is the most important factor in determining an auspicious or inauspicious day.

RED indicates forbidden days and should be avoided for all weddings.

The exact time of the wedding should be selected in consultation with your priest.
